## **Nahata Jogendranath Mondal Smriti Mahavidyalaya**

Nahata Jogendranath Mondal Smriti Mahavidyalaya, NSOU Study Centre (H-07)

### **Academic Report**

**Academic Year: 2018-19 to 2023-24**

Prepared by NSOU Study Centre (H-07) Cell in association with IQAC

### **BEST PRACTICE # 1**

#### **Title of the Practice**

Educate – Enlighten – Elevate: Spreading education among the unprivileged

#### **Objectives of the Practice**

- To help the neighbouring community in getting access to higher education
- To provide a second chance to the College drop-outs
- To help female students to continue higher education from home
- To help working mothers to continue studies
- To help those already in jobs to continue higher education
- To help working students with flexible time schedules like Sundays
- To help those who live in remote areas by reducing distance and rigour of regular attendance
- To reduce the cost of transportation for regularly attending College for the economically backward

#### **The Context**

Nahata Jogendranath Mondal Smriti Mahavidyalaya situated in a rural, backward, remote area near the Indo-Bangladesh border, is dominated by Scheduled Caste, Scheduled Tribe and Other Backward Classes. This community is not only financially backward but also a depressed class deprived of basic amenities of life. Our College is a beacon of light in this area with the Vision and Mission of serving the students and the community resulting into inclusive growth. Students who could not complete their

graduation due to various factors like financial crisis, family problems, early joining of job to contribute to family income, find here a second chance for continuing their higher education. This is also true for girl students who could not continue their higher studies because of early marriage or early motherhood or because of orthodoxy in family.

## **The Practice**

The New Education Policy (NEP), 2020 intends to enhance the gross enrolment ratio to 50% by 2030 and comply with sustainable development through Open Distance and Online Learning which lie within the premise of Education Policy, i.e., Access, Equity, Quality and Affordability.

Since its inception in the year 1997, Netaji Subhas Open University (NSOU), the only State Open University in West Bengal, contributes to the development of quality human resource base of the State and along with other Open Universities of the Country, moves towards the improvement of the quality of Open Distance Education. The Mission of Netaji Subhas Open University (NSOU) is to spread quality education in flexible mode all over the State, providing access to different skills-enhancing educational programme in vernacular language, that is, Bengali and making it available at low cost to the unprivileged people.

The Memorandum of Understanding (MoU) between the College and Netaji Subhas Open University for starting a Study Centre at Nahata Jogendranath Mondal Smriti Mahavidyalaya was signed in 2005, 8 years after the establishment of the parent Institution, viz., Netaji Subhas Open University (NSOU). The Memorandum of Understanding (MoU) is renewed in the year 2023. NSOU, Nahata Jogendranath Mondal Smriti Mahavidyalaya Study Centre (H-07) aims at spreading higher education in the neighbourhood which is in tune with the Vision and Mission of our College. The Study Centre which began as a Post Graduate Study Centre now teaches subjects which not only enhance learning but also professional skills with the following subjects in UG and PG Programmes:

- BDP/UG (Bengali, English, History, Education, Commerce,)

glorious journey to success and service to the student community.

## **Evidence of Success**

The success of the Study Centre can be gauged from the following facts :

- Over the last six years in the Under Graduate (UG) programme, the average enrollment of students is around 500.
- The average enrollment of female students is above 40 percent. During pandemic in 2021-22, the enrolment of female students touches six years highest at 45.5 percent.
- The number of students in SC, OBC A and OBC B categories has increased from 2022-23 to 2023-24, but over the same period, the number of general students enrolled in UG course remains the same.
- The number of female students in SC student enrollment has increased considerably from 2022-23 to 2023-24.
- During the study period, the enrollment of female students is higher than that of male students in the PG programme.
- In the year 2021-22, during the pandemic period, the number of female students enrolled has reached the five year highest at 103.
- Students including house wives, drop-outs and teachers of different Schools and Colleges have completed UG, Diploma, PG or double MA courses from this Study Centre.
- Even an old lady around 70 years has completed her UG studies and pursuing post graduate course. The stories of such achievements continue.

## **Problems Encountered and Resources Required**

- Lack of Infrastructure and basic amenities like toilets & adequate classrooms which make it difficult for students to focus on their studies
- Lack of digital infrastructure like limited internet access: online learning resources
- Lack of resources like library access, lack of computers, shortage of teaching faculty and inadequate fund.

## **Notes**

The College has started the Open University Study Centre from the Academic Session 2005-06 and during this period (from the academic year 2005-06 to 2023-24) the College Study Centre has achieved commendable success in respect of enrollment and successful completion of the courses. Thus with the

establishment of this Study Centre the College has fulfilled its first pledge - bringing the light of knowledge among the downtrodden and the excluded, and helping a community to enter the mainstream of social honour and dignity.

Through the opening of this Study Centre 20 years ago, the College has achieved one step forward to realize the Vision and Mission of our College that is in sync with the NEP, 2020 focus on four premises viz., Access, Equity, Quality and Affordability of education.
