NAHATA JOGENDRANATH MONDAL SMRITI MAHAVIDYALAYA

The Department of Political Science ensures its students that all kinds of study materials related with the academic learnings of political science are available in the college library. Truly, from the very beginning, the college has been playing a pivotal role to provide the academic resources to its students for a long time for creating a better knowledgeable citizen for the society and the nation. Even, all the departmental faculties from its inception have been coming helping its students in every respect of their learning concerned with the political science. Our librarian madam Dr. Anindita Santra has been serving her duty with the affable sincerity and being all the time conducive to access the study materials for the students

A large library facility for the students to access academic resources

Librarian Madam, Dr Anindita Santra is always performing her duty for the benefit of students along with the accessing of academic

The College library is stuffed with the thousands of books of different streams which are taught in the college

Installations of WIFI for accessing academic resources for the students as well s computer lab is used for availing online resources concerned with the respective department
