## SEMINAR ROOM WITH ICT FACILITIES

4. Expanded learning opportunities: it expanded learning opportunities for students so they can grasp the fact that learning occurs various times and in several places and digital learning will allow this very learning opportunity. Students learn many new things from digital tools and technologies.

5. Develop accountability in students: the digital education system makes the assessment of each and every students much more transparent and informative with the real time examination of performance and auto-generated reports it offers the students the capability of two major there performances in detail and come up with relevant solutions on their part
