Program Specific Outcomes (PSO)

After successful completion of B.A. Programme in Sociology, students grasp the Knowledge of the following:

- **PSO1:** The major objective of the course is to acquaint the learners with the conceptual and theoretical orientations in sociology by providing updated knowledge on classical and sociological thought.
- **PSO2:** Post Marxian traditions, classical Sociological Theories, and Modern Sociological Theories. Culture, gender, work, Indian society, and social psychological issues provide the learners the orientation.
- **PSO3:** This course also imparts knowledge on Research Methodology and social statistics. Another major objective of the course is to provide the learners with hand's-on experience in ethnographic field work and dissertation. Which will train them on field-level data collection, data coding and analysis, and completely executing a recharge project.
- **PSO4:** The program will help learners to move ahead in higher studies in the subject or related disciplines.
- **PSO5:** The programme is also expected to improve the analytical and argumentative skills of the learners which are extremely essential for securing jobs to day
